

*“Hope is like the sun, which
as we journey toward it,*

*casts the shadow of our
burden behind us.”*

Samuel Smiles

We are honored to celebrate the Handmaids of the Sacred Heart of Jesus for their journey, and for all the amazing works they have accomplished in a span of eighty-five years.

We thank them for sharing their generous spirit and for helping to guide the paths of so many. It has been a privilege for us to walk with them.

As their journey continues, we pray that they will be filled with God’s abundant blessings in all that they do - with the same hope that has led them to today.

With gratitude and love,

Ray and Carol Angelo
